

Mary Queen of Heaven Missionaries

2020 Annual Summary

for our Mission Partners & Sponsors

OVERVIEW

As you may have heard, for several months this year the Philippines was the hardest hit by the Covid-19 virus of all ASEAN countries. Currently reporting nearly one half million cases and 9000 deaths, the nation is anxiously awaiting vaccines' distribution. During this trying time and by the grace of God, our Home of Love, Mission Houses and My Bonita Home for Girls has remained operating, but as in the United States and around the world, the traveling advocacy of our mission to churches, organizations and groups has come to a halt.

Our generous sponsors have kept us operating through their financial and spiritual support, and for that we are most thankful. Contained within you will find a very optimistic overview of what we have been able to accomplish throughout this challenging year.

HOME OF LOVE Livelihood & Rehabilitation Center and Mission Houses in the Philippines

Throughout 2020 we continued to fully operate our five Mission Houses on the islands of Luzon, Panay, Samar and Cebu, amid the Covid-19 crisis.

The HOME OF LOVE Livelihood & Rehabilitation Center in Tuburan, Cebu, where the girls eventually join us as residents, remained open in spite of the pandemic. And with our Mother Mary's help, we managed to continue our mission of providing a respite for these victims as they began the journey to rebuild their lives.

Offering shelter, medical assistance, counseling, education and skills training along with recreation and spiritual formation, the HOME OF LOVE is alive and well thanks to the exceptional help received by our sponsors. And our success rate remains at 93%!

For that, we are eternally grateful.

My Bonita

Home for Girls

OUR LATEST BLESSING!

On December 4, 2019, Mary Queen of Heaven Missionaries acquired the 'My Bonita Home for Girls'. Ranging between the ages of 6 and 20, most girls are victims of abuse by someone they trusted and have had very traumatic experiences in their lives.

Located in Talamban, Cebu, we began with 65 girls and wish to grow to 100 next year. While making life as normal as possible, our ultimate goal is to heal, nurture and educate, eventually providing residents with a college education. Today we have eight college students and the remaining residents are elementary and high school students.

In 2020 we have been aggressively making plans to open the Home of Love USA in Los Angeles County, California. The facility's licensing procedure is in process, staff is being recruited, and Sister Isabel and Sister Gliceria have recently completed their certification for administrative purposes.

We are very excited to announce our opening sometime in 2021.

REGINA COELI Education Program

NOW SERVING **7000**
HIGH SCHOOL STUDENTS &
772 ELEMENTARY STUDENTS

We are very proud to announce that this year, even under the challenging circumstances, we have been able to grow our beneficiaries by **36%**! The following four pages list the **141** municipalities we now serve, including **23** new! This growth is due to the dedication of Mission Partners, Sisters in the Philippines, and Sponsors. Those on the ground worked tirelessly to recruit children into the program, and generous sponsors continued to provide resources for school supplies delivered this year amid a typhoon and a deadly virus.

The Regina Coeli Education Program is our preventative strategy to rescue children from poverty outcomes, which entices handlers to roam the rural areas. These rogue actors deceive families into believing they will find "good jobs in the city" for their children to supplement their meager circumstances. Of course, many become victims of abuse and trafficking, resulting in the unspeakable tragedy that has been the plight of the rural poor in our country for many years.

Once enrolled in school, children are less approachable and our interaction with the families both financially and spiritually, has proven to raise awareness of their possibilities in life.

2020 EXPANSION INTO 23 NEW MUNICIPALITIES!

2020

ONENESS WITH THE POOR

FEEDING PROGRAM

Mary Queen of Heaven Missionaries began our food distribution program in 2007 as our way of helping where we can and connecting to the many deserving families and their children

November 3, 2020

We distributed "Bundles of Joy" to 100 families

December 29, 2020

We provided a Christmas lunch to 2500 people and distributed goods (food, clothing & toys) to 500 families

MISSION PARTNERS

Today, we have approximately 5000 Mission Partners around the world!

Despite the pandemic and typhoons' challenge, we are very proud to say that our Mission Partners, who serve as our wings, enabled us to provide the needs of our trafficking victims, 7,000 high school and 772 elementary school beneficiaries. By giving us their usual pledges of financial support, our ministry continued!

In the Philippines, Mission Partners consisting of Bishops, Priests, school principals, teachers and laypersons, distributed school supplies to 141 municipalities, with our sisters overseeing everything online. As you know, we were not able to travel because of the protocols of the pandemic. These generous angels augmented the deficit by ensuring that our monthly fundraisings were successful.

We are also incredibly grateful for the Archbishops/Bishops/Priests in the Philippines' new dioceses, where we have expanded our mission. They were invaluable in helping within their jurisdictions.

We are always looking for new Partners to be advocates for our ministry. Learn about us and spread the word to families, friends, small and large businesses you may know. If you can gather referrals and provide us email addresses, we will contact them by writing a letter of introduction with our website link and a brochure. Please help us continue to extend to the many in need. We are honored to be part of this exceptional ministry and are thankful for the privilege of serving the Lord.

GROWING OUR VOCATION

This year, we continued the formation of the Temporary Professed Sisters

Sisters Angelica Fernandez and Lyra Yvette Durano renewed their vows in 2020

Sister Rovilla Villamucho made her First Temporary Profession in 2020

A Vocation Campaign will begin in the rural areas of the Philippines in 2022

With somber sadness but greater Christian joy, we honor the passing of Mother Lucy Baul in 2020, the Mother Vicar of the Mary Queen of Heaven Missionaries

Home of Love
**CAPITAL CAMPAIGN
EXPANSION**

Due to the pandemic, a hold was put on construction, but we are happy to report that one third of the Administration building is now being used for a chapel, counseling rooms, sisters' rooms and training area. We look forward to continuing the renovation and building in 2021!

Dear sponsor,

Hi! I'm prince Cos a simple and artist boy get a little bit lack of confident. I'm in (12) twelve studying at Ramon B. Felipe Sr. National High School.

In this time of pandemic, the flow of life change, specially my study. Sometimes there a task that needed an internet connection in this case, with a poor internet connection in our barangay, it gives a hard time to answer my module, but ever there's a barrier its continuing. It affect also our source of income, my guardian is a farmer. My guardian serve as my parent cos they raise me when I'm a child.

To all of the sponsor thank you so much, all of the school supply, allowance and etc, it really help me to support my study, to reach my goal and dream.

Thank you again sponsor all of you serve as one of my inspiration on my study.

Your sponsored child

Prince Cos
